We are in the last 2 busy months of the school year. We have a lot of activities and learning to be had before these short 8 weeks bring us to summer. We are still practicing our BARK behaviour. Students are being reminded to use healthy language and be respectful in all areas of the school.

I want to take this opportunity to thank the PAC for all their hard work on the Silent Auction night. The PAC raised over \$10,000 towards the Oodle swing. We have also received numerous donations and grants and can now move forward and install the swing.

Please continue to keep communication channels open and reach out if you have any questions.

KINDERFAIR

Kinderfair is an annual school event dedicated to supporting a positive transition to school for our upcoming kindergarten students and their families. At **Kinderfair**, we believe in the power of families learning together. Our activities are designed to be family-centered, allowing parents and caregivers to participate alongside their children. Families can enjoy shared reading experiences, engage in games, puzzles, and explore collaborative learning opportunities. **Kinderfair** also provides a unique opportunity for children and parents to meet and interact with school staff. This gives families a chance to familiarize themselves with the school environment, ask questions, and establish a connection with key educators who will support their child's educational journey.
